

FREEMINDTRONIC Named Winner of the Coveted Global InfoSec Awards during RSA Conference 2021

FREEMINDTRONIC wins 3 AWARDS in 9th Annual Global InfoSec Awards at #RSAC 2021.

SAN FRANCISCO (BUSINESSWIRE) MAY 17, 2021 – Freemindtronic is proud to announce we have won the following awards from Cyber Defense Magazine (CDM), the industry’s leading electronic information security magazine:

- Next-Gen in Crypto Security
- Most Innovative in Hardware Password Manager
- Next-Gen in Secrets Management

“We’re thrilled to receive one of the most prestigious and coveted cybersecurity awards in the world from Cyber Defense Magazine. We knew the competition would be tough and with top judges who are leading infosec experts from around the globe, we couldn’t be more pleased,” said Jacques GASCUEL of Freemindtronic.

“We scoured the globe looking for cybersecurity innovators that could make a huge difference and potentially help turn the tide against the exponential growth in cybercrime. Freemindtronic is absolutely worthy of these coveted awards and consideration for deployment in your environment,” said Gary S. Miliefsky, Publisher of Cyber Defense Magazine.

We’re thrilled to be a member on this coveted group of winners, located here: <http://www.cyberdefenseawards.com/>

Please join us virtually at the #RSAC RSA Conference 2021, <https://www.rsaconference.com/usa> today, as we share our red-carpet experience and proudly display our trophy online at our website, our blog and our social media channels.

About Freemindtronic

Freemindtronic is a Andorran Deeptech which designs and manufactures Greentech products and services in the field of cybersecurity and safety of information systems and computer systems. It develops tailor-made solutions for manufacturers, companies, public services and governments.

About CDM InfoSec Awards

This is Cyber Defense Magazine's ninth year of honoring global InfoSec innovators. Our submission requirements are for any startup, early stage, later stage or public companies in the INFORMATION SECURITY (INFOSEC) space who believe they have a unique and compelling value proposition for their product or service. Learn more at www.cyberdefenseawards.com

About the Judging

The judges are CISSP, FMDHS, CEH, certified security professionals who voted based on their independent review of the company submitted materials on the website of each submission including but not limited to data sheets, white papers, product literature and other market variables. CDM has a flexible philosophy to find more innovative players with new and unique technologies, than the one with the most customers or money in the bank. CDM is always asking "What's Next?" so we are looking for Next Generation InfoSec Solutions.

About Cyber Defense Magazine

With over 5 Million monthly readers and growing, and thousands of pages of searchable online infosec content, Cyber Defense Magazine is the premier source of IT Security information for B2B and B2G with our sister magazine Cyber Security Magazine for B2C. We are managed and published by and for ethical, honest, passionate information security professionals. Our mission is to share cutting-edge knowledge, real-world stories and awards on the best ideas, products and services in the information technology industry. We deliver electronic magazines every month online for free, and special editions exclusively for the RSA Conferences. CDM is a proud member of the Cyber Defense Media Group.
